## LUCAS Mark

As a long-term resident, father of 2 children and local business owner, I wish to run again for election as a Councillor in the Shire of Exmouth. I have served on council for the last 2 years and look forward to the opportunity to serve again. I feel that the new council has made some significant progress so far but there is still a lot more to do. From what I have experienced over the last 20 years of living in Exmouth it seems that we are currently transitioning through one of our most significant periods of opportunity and change. I hope to offer my local knowledge and skills to assist in planning the strategic direction of the town to ensure we both take best advantage of the opportunities on offer whilst making sure we conserve the unique qualities our local environment and community currently offers.
