

## **Referral Agent Registration Form 2013**

Please complete this form to register as a recognised KIDSPORT REFERRAL AGENT with the Shire of Exmouth

Referral Agents assist with the identification of children and youth who could benefit from KidSport through the payment of club fees. The referral process is in place so that children who do not have a Heath Care Card or Pension Card can still benefit from KidSport. A referral agent needs to have an understanding of the family's situation and be in a position to identify that the child will receive significant benefit by being involved in physical activity within a positive club environment.

Referral Agents can include, but are not limited to, school teachers, doctors, police, social workers, local area coordinators and other community organisations and agencies.

Referral Agents can assist with the completion of KidSport application forms and their lodgement with participating local governments on behalf of parents/guardians.
