GASCOYNE SESSION | SMALL BUSINESS VIRTUAL MEETING

10.00 AM FRIDAY, 15 MAY 2020

Many small businesses are feeling the impact of the COVID-19 pandemic due to the necessary social distancing measures that have been implemented to protect the health of our community.

The McGowan Government is doing everything it possibly can to support those regional businesses who are clearly facing enormous hardship.

I know many local businesses have been creative and adapted the way they do business in these times. However, I am devastated for those businesses who have had to close their doors.

Local businesses have lots of questions to ask including what support the State Government is offering and how the Regional economy will recover.

This is why I am hosting a virtual meeting for local small businesses in the Gascoyne with Alannah MacTiernan, Minister for Regional Development.

***RSVP to Deana.Lawver@mp.wa.gov.au
should include your name, business name, email,
contact number and your question for the Minister***

To participate in the virtual meeting you will need to download the Zoom app onto a device which is able to connect to the internet. Further details of how to join the meeting will be provided once you have RSVP'd.

I look forward to seeing you all virtually and discussing local business issues.
