OLYMPICS UNLEASHED AT THE GAMES

We are very glad to have Olympian Nat Burton from the Olympics Unleashed program visiting Exmouth for the 2021 Gascoyne Games. Nat represented Australia in basketball at the 2016 Olympic Games. While in Exmouth she will meet with students of Exmouth District High School, be involved with the Games Opening Ceremony, and be available over the weekend to meet participants and spectators involved with the Gascoyne Games. Certainly there will be many opportunities to meet her and to ask what it was like to represent Australia at an Olympic Games. Maybe, the Gascoyne Games might be the pathway that produces an Olympian or Paralympian into the future, whether that be for the Olympics or Paralympics in Paris (2024), Los Angeles (2028) or Brisbane(2032)!
