As a long-term resident and business owner in Exmouth since 2009, I have remained deeply committed to the growth, sustainability, and prosperity of our community. Working closely with the Shire President and fellow councillors to advocate for essential infrastructure upgrades to meet both current demand and the future needs of our town. I have been consistent and active in lobbying of State and Federal governments to ensure Exmouth's voice is heard and our community receives the attention and investment it deserves. Tourism continues to be Exmouth's key growth area, I firmly believe that by investing in workers' housing, supporting local businesses, and developing facilities to meet increasing demand, we can create the right conditions for Exmouth to thrive. This approach will attract families, encourage business investment and ensure the stability of our population for generations to come.
