My family and I have resided in Exmouth for over 15 years, and I have previously spent 4 years on the Exmouth council from 2018 to 2021. Two of those years as the deputy president.

In the four years I was on council, we had a great team, and achieved great outcomes for the community. I am willing to put my hand back up to ensure what we love about this community keeps intact.

I am not one to sit back and throw rocks unless I am willing to do something about it, this is me doing something about it.

I would like to thank you for your support back then, and hope to see you support me now. I would also like to encourage other people passionate about our town to please put your hand forward so we can see it sustained for the long-term.
