DONATIONS

Introduction

Small donations up to \$500 are available as part of the Shire of Exmouth's Sponsorship Policy and Guidelines and are designed to meet funding requests that do not meet the eligibility of the MESP and CSGP funding programs.

Funding is available only to not-for-profit and incorporated community or sporting organisations based in the Shire of Exmouth and donations will be available until the grants pool is exhausted.

Requests for donations will only be considered by the Shire President or by delegated authority to the CEO.

Applications should complete the application details below and attach a formal letter of request addressed to the Shire President for consideration and response.

Please note that a maximum of up to \$500 per formal request per annum from each entity is allowed and only applications for support of non-core business activities will be considered.
