DISCLAIMER

The following development application checklist has been compiled to ensure that applications lodged are complete and provide all information required. This will assist the Shire of Exmouth to expedite processing of applications.

Please note that the Shire reserves the right to request additional information for specific applications such as truck movement plans, traffic reports, colour perspective elevations and acoustic reports. For large scale development, applicants are encouraged to arrange an appointment with a planning officer, prior to lodgement.

This publication is intended to provide general information only. Verification with the original local laws, planning schemes and other relevant documents is required for detailed references.

DEVELOPMENT APPLICATION CHECKLIST

This checklist has been introduced to ensure that development applications are complete before they are registered as applications. The reasons for requiring complete applications include:

- The information is required pursuant to Local Planning Scheme 4 and *the Planning and Development (Local Planning Schemes) Regulations 2015* (i.e. therefore required by law);
- Assessment cannot be carried out by the planning department until all information is received; and
- Complete information reduces processing delays arising from an incomplete application.

1. Certificate of Title and Signatory

Note: All applications are required to be signed by the owner of the land or alternatively a letter of authorisation from the owner being submitted with the application. For the purposes of signing this application an owner includes the persons referred to in the *Planning and Development (Local Planning Schemes) Regulations 2015* Schedule 2 clause 62 (2).

- Ensure the Certificate of Title is current (within 6 months)
- If the subject land is owned by a strata company, consent shall be signed by the strata company secretary or by an elected person of the strata company providing proof of authority either by letter of delegated authority, signed by all strata owners or minutes showing delegated authority
- If the subject land is owned by a company, you must confirm whether it is a sole proprietorship company and state the full name/s and position/s of the company signatory/ies. Appropriate company signatory/ies include one director and the company seal, two directors, or one director and one secretary.

2. Site Plan to a recognised scale

- The location of the property including street names, lot number(s), North point (facing up) and the dimensions of the lot boundary;
- Type of all existing and proposed structures with clear indication of the distance from the lot boundaries to the proposed building(s), including all existing structures and vegetation proposed to be removed;
- Existing and proposed means of access for pedestrians and vehicles to and from the site, and crossover details;
- Location, number, dimensions and layout of all car parking spaces intended to be provided;
- Storm water disposal and sewer connection details, location of existing septic system and leach drains (length and distance from other buildings etc);
- Landscaping details/ plan with legend of species and types;
- Site survey as existing AHD levels & finished floor levels (for new development only); and
- Location of any infrastructure, i.e. electricity poles etc.

This is an example of a Site Plan (Source: Residential Design Codes of Western Australia)

3. Floor Plans to a recognised scale

- All dimensions of proposed new buildings and/ or additions;
- Internal Layout, including room names and sunken areas;
- Location and dimensions of windows and doors;
- Ridge, valley, eaves line and downpipe locations; and
- Land use pursuant to the Local Planning Scheme 4/R-codes.

4. Elevations to a recognised scale and appropriately labeled, e.g. North, South, East and West

- Front rear and side views of proposed new buildings or existing buildings if additions are proposed;
- Location and dimensions of windows and doors (including window sill heights from finished floor level and direction of opening e.g.: fixed, sliding, awning);
- Wall and roof heights;
- Existing ground level and finished floor levels; and
- Include details of any proposed cut or fill and retaining walls.

Rear Elevation Example

5. Bushfire Attack Level (BAL) assessment

- Check the Department of Fire and Emergency Services website to see if the property is located in a Bushfire prone area www.dfes.wa.gov.au. If yes;
- Contact the Shire of Exmouth to check if a Bushfire Attack Level (BAL) assessment or Bushfire Management Plan is required with your application.

6. Covering Letter

The existing and proposed use of the site and buildings to be erected on the site;
 Justification of the nature of proposed development or use;
 Type and colours of building materials; and
 For proposed business also include hours of operation, number of staff, parking provided and loading areas, noise/odour emissions

Note: Depending on the nature of your application additional information may be requested. You should review the relevant part of the Local Planning Scheme and/or R-Codes

Your plans and covering letter should show as much information as possible, otherwise delays in processing times may occur. If you need help deciding what information you should provide please contact the Shire of Exmouth via phone 9949 3000 or email info@exmouth.wa.gov.au.
