## **NIIKKULA, Matthew**

I would once again like the opportunity to contribute to my community by becoming a Local Government Councillor. I have lived in Exmouth for 45 years, completed my schooling here and have run a local business for the past 28 years. I have completed a diploma in Local Government and have 4 years experience as Exmouth's Shire President which I feel would make me a beneficial addition to the current council. I would really appreciate your support in this upcoming election.
