WILKIE-BOOGAARD, Zayden

Gday, I'm Zayden Boogaard.

Many years ago I sold everything I had to live in a tent at Lighthouse Caravan Park. Like many, I'd fallen in love with Exmouth and was determined to belong here. Now, apart from working I also contribute to our amazing Emergency Services team, risk life and limb to provide a free Snake Removal service for all residents and businesses, as well as community volunteering, cleaning beaches with my partner etc.

For me, financial or personal gain is secondary to wellbeing of our fragile coastlines, and hopefully preserving these assets for generations to come.
