I have lived in Exmouth with my family for 10 years. My two sons are now in high school at EDHS. I enjoy volunteering and was awarded the Exmouth 'Volunteer of the Year' award in 2021.

I am passionate about maintaining what makes Exmouth unique. That means protecting the natural environment that surrounds Exmouth, and making sensible decisions about development and planning that reflect the needs and values of our community.

I believe that Exmouth is at a crossroads. Decisions made by Council in the next few years will be critical to what the future of our town looks like and what it will be like to live here.

I want to secure a sustainable future for our town and our families. I'll stand up to protect our unique sense of place and the natural environment that we love. I'll speak up for local concerns about access to health services, accommodation, education and employment opportunities. I will work for open, honest decisions that put our locals and our natural environment first.
