A resident for over 12 years, I have been Shire President since the 2021 elections. Managing the challenges post COVID and throughout the Total Solar Eclipse.

Inspired by positive change and forward thinking, my values reflect the community aspirations to protect our natural environment and achieve economic growth that is sustainable.

Driven by the desire to create a community that is inclusive, vibrant and welcoming. With affordable housing, waste management and renewable energy solutions. A town that thrives with intergenerational care and education. A place for future generations.

Moving forward, I see a community, that welcomes travellers, with a diverse range of experiences, creating lifelong memories.

Our future is bright, with strong foundations, good governance, transparent and accountable decision making, and increased stakeholder and community engagement.

With your support. As publicly elected Shire President, I can continue working with you to deliver our community vision.
