4. PUBLIC QUESTIONS TIME

In accordance with section 5.24 of the *Local Government Act 1995*, a 15 minute public question time is made available to allow members of the public the opportunity of questioning Council on matters concerning them.

Council Consideration Towards Public

When public questions necessitate resolutions of Council, out of courtesy and at the President discretion the matter is to be dealt with immediately to allow the public to observe the determination of the matter (obviates the need for the public to wait an undetermined period of time).

When a matter is listed on the Agenda and member/s of the public are in attendance to observe the determination of the matter, out of courtesy and at the discretion of the President the matter is to be brought forward on the agenda and dealt with immediately to allow the public to observe the determination of the matter (again this obviates the need for the public to wait an indeterminate period of time).

11 . Minutes, content of (Act s. 5.25(1)(f))

The content of minutes of a meeting of a council or a committee is to include —

- (e) a summary of each question raised by members of the public at the meeting and a summary of the response to the question;***

Question received from Ann McCaroll

Status of Visitor Centre moving in to the Ningaloo Centre and the opening date of the ningaloo centre

The Executive Manger Commercial and Community responded: The Shire Office will be moving into the Ningaloo Centre and be operational from 4 December 2017; the Centre will be open to the public from that date.

The Shire is working with the Ningaloo Centre Management Committee (NCMC) moving across mid to late January. The NCMC committee has committed to moving to the Visitors Centre into the Ningaloo Centre.

6. APPLICATIONS FOR LEAVE OF ABSENCE

The *Local Government Act 1995* (Section 2.25) provides that a Council may, by resolution, grant leave of absence to a member for Ordinary Council Meetings. A member who is absent, without first obtaining leave of the Council, throughout three consecutive Ordinary meetings of the Council is disqualified from continuing his or her membership of the Council.

Disqualification from membership of the Council for failure to attend Ordinary Meetings of the Council will be avoided so long as the Council grants leave prior to the member being absent. The leave cannot be granted retrospectively. An apology for non attendance at a meeting is not an application for leave of absence.

The Shire President advised an application of leave has been received from Cr Lucas for the next Ordinary Council meeting to be held on the 21 December 2017.

7. CONFIRMATION OF MINUTES OF PREVIOUS MEETINGS

That the Minutes of the Special Council Meeting of the Shire of Exmouth held on the 23 October 2017 be confirmed as a true and correct record of proceedings.

8. ANNOUNCEMENTS BY THE PRESIDING PERSON WITHOUT DISCUSSION

Since the Swearing in on the 23rd October, myself and your 5 other elected councillors have been busy attending briefings, inductions and trainings, rapidly getting us up to speed with the requirements of the Local Government Act 1995. Cr Mounsey and I are to attend a special "Presidents and Vice Presidents" training in Perth on the 20th of this month.

The 6 of us are constantly in open conversation with each other, and are really enjoying the support we are feeling from the community as a whole. We are confident the time and effort we have already put into learning our roles and obligations will put us in good stead to deliver on the promise of open, honest and transparent governance that we pledged. I would like to again thank the community for placing your trust in us, we will continue to strive for best practice and accountable leadership.

9. PETITIONS/DEPUTATIONS/PRESENTATIONS/SUBMISSIONS

Barry Sullivan, Chair for the Exmouth Chamber of Commerce and Industry thanked Council for encouraging Chief Executive officer Cameron Woods to accompany him to Canberra recently to attend the Inquiry into Opportunities for Methods for Stimulating the Tourism Industry in Northern Australia.

It was a successful trip for both Council and the Community. Barry advised he was honoured to have Cameron accompany him and was pleased that although he is new to the Exmouth he understood and delivered well on behalf of the Community. He suggested that Council investigate an annual trip to Canberra either by the Chief Executive Office, Shire President or Deputy Shire President. The opportunity to meet face to face with politicians rather than writing letters is invaluable. The visit has created a lot of great connections which I feel will serve the community into the future.

11.1 DELEGATION OF AUTHORITY TO THE CHIEF EXECUTIVE OFFICER TO DESIGNATE AUTHORISED AND APPROVED OFFICERS FOR THE PURPOSES OF THE HEALTH (ASBESTOS) REGULATIONS 1997

File Reference:	GV.AU.2
Responsible Officer:	Deputy Chief Executive Officer
Date of Report:	23 October 2017
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	1. Amended Delegation GO001 – Appoint Authorised Persons

PURPOSE

That Council consider delegating power of duty to the Chief Executive Officer for the purpose of appointing authorised and approved officers under the *Health (Asbestos) Regulations 1992*.

BACKGROUND

In January 2017 amendments came into effect for the appointment of approved and authorised officers under the *Criminal Procedure Act 2004* for the purposes of issuing, extending or withdrawing infringements for breaches of the *Health (Asbestos) Regulations 1992*. These amendments to the *Health (Asbestos) Regulations 1992* were made as an interim measure until the implementation of the penalty framework for the *Public Health Act 2016* comes into effect. This stage won't occur until the final stages of the implementation which is approximately 3 to 5 years away.

The Chief Executive Officer was appointed as an approved officer and the Executive Manager Health and Building and the Environmental Health Officer were appointed authorised officers. These changes were adopted at the February 2017 Council Meeting.

Res No: 04-0217

That the Commissioner adopt the proposed new delegation HB014 – Criminal Procedure Act 2004 provided at Attachment 2.

CARRIED 1/0

In August 2017 an annual review of the delegation register was conducted and Council adopted the new delegation register which removed the Executive Manager Health and Building position and added the Deputy Chief Executive Officer and the Building Surveyor as authorised officer for the purposes of issuing an infringement.

Res No: 07-0817

That the Commissioner revoke the existing Delegation Register – 7 June 2016 in its entirety, and adopt the revised delegation register at Attachment 1.

CARRIED 1/0

COMMENT

The changes to the *Health (Asbestos) Regulations 1992* didn't give delegated authority to the Chief Executive Officer to appoint approved or authorised officers. This was considered problematic and made the administration of the *Health (Asbestos) Regulations 1992* time consuming. On the 27 September 2017 amendments were made to allow for the delegation of power. There is no allowance for this delegation to be sub delegated. Council staff support the delegation of authority as it allows for smoother transitions for relief or replacement staff.

COMMENT

Councillors and Officers are required to be appointed as representatives for the Shire of Exmouth on the following external committees:

1. Gascoyne Development Commission

The Gascoyne Development Commission. A Western Australian Government statutory authority dedicated to the economic social development of the Gascoyne region.

The objectives of the Regional Development Commissions (RDCs) are to:

- maximise job creation and improve career opportunities in the region;
- develop and broaden the economic base of the region;
- identify infrastructure services needed to promote economic and social development within the region;
- provide information and advice to promote business development within the region;
- seek to ensure that the general standard of government services and access to those services in the region is comparable to that which applies in the metropolitan area; and
- generally take steps to encourage, promote, facilitate and monitor the economic development in the region.

2. WALGA Zone Regional Committees and the Regional Road Group Meeting

The WA Local Government Association (WALGA) is working for Local Government in Western Australia. As the peak industry body, WALGA advocates on behalf of 138 WA Local Governments and negotiates service agreements for the sector. WALGA is not a government department or agency.

The WA Local Government Association was formed on 6 December 2001 to provide a truly representative and united voice for Local Government in WA. Prior to this, a number of membership-based representative structures existed to represent Local Government in WA.

The WALGA operational structure is comprised of a number of internal business units who undertaken either policy and advocacy work on behalf of the Local Government sector or offer services to assist Local Governments to perform their duties.

Our Governance structure comprises of our State Council and Zones. The structure of WALGA is designed to ensure we remain representative of our Member Councils. The structure also enables us to work efficiently and effectively in meeting our goals.

The WALGA operational structure is comprised of a number of internal business units who undertake both policy and advocacy work on behalf of the Local Government sector, or offer services to assist Local Governments to perform their duties.

WALGA State Council is the decision making representative body of all Member Councils, who are responsible for sector-wide policy making and strategic planning on behalf of Local Government.

Zones are groups of geographically aligned Member Councils who are responsible for direct elections of State Councillors, providing input into policy formulation and providing advice on various matters.

3. Development Assessment Panels (DAPS)

As a key component of planning reform in Western Australia, Development Assessment Panels (DAPs) are intended to enhance planning expertise in decision making by improving the balance between technical advice and local knowledge.

Each DAP consists of five panel members, three being specialist members and two local government councillors.

Under the DAP regulations, each DAP will determine development applications that meet set type and value thresholds as if it were the responsible authority under the relevant planning instrument, such as the local planning scheme or region planning scheme. The DAP regulations state that DAP applications cannot be determined by local government or the Western Australian Planning Commission (WAPC).

The role of DAP members is to determine development applications within a certain type and value threshold through consistent, accountable, and professional decision-making.

A Mandatory DAP application is type of development application for the approval of a development outside the City of Perth with an estimated value of \$10 million or more.

4. Ningaloo Coast World Heritage Advisory Committee (NCWHAC)

Ningaloo Coast World Heritage Advisory Committee – Code of Conduct

An appointment of the Ningaloo Coast Heritage Advisory Committee (NCWHAC) carries with it responsibilities and obligations. This Code of Conduct outlines these NCWHAC member responsibilities and obligations and provides guidance about ethical issues that may arise.

All members are required to adopt this Code of Conduct to assist the NCWHAC's ability to perform its functions as specified in the Terms of Reference and Operating Procedures and strengthen the ability of members to contribute to the committee in a positive way.

The Code of Conduct requirements are based on the Office of the Public Sector Standards Commissioner's publication *Template Code of Conduct for Government Boards and Committees*, which in turn, is based on the *Western Australian Public Sector Code of Ethics*.

1.1 Understand the NCWHAC role:

Members will:

- Operate within the framework of the Terms of Reference and Operating Procedures of the NCWHAC.
- Gain a clear understanding of the purpose and function of the NCWHAC in addition to the statutory and regulation requirements of the World Heritage area and associated land tenure within which DPAW and other government agencies carry out their responsibilities.
- Stay informed about the relevant activities and management issues concerning the Ningaloo Coast World Heritage area.
- Make decisions fairly, impartially, promptly and considering all available information to ensure the best outcome for the Ningaloo Coast World Heritage area.

VOTING REQUIREMENTS

Absolute Majority

The Chief Executive Officer read out the following correspondence he received from the Gascoyne Development Commission:

The GDC Board has been reduced to six (6) members. These members are as follows:

- Two are resident in the Commission's region, representing the community
- Two are nominated by local governments in the region
- Two are to be appointed at the Minister's discretion

This means that unlike the former Board membership, where in fact GDC had four local government representatives, by virtue of the four local government Shires of the region, there is no automatic right for any given Shire to be represented on the Board.

12.1 ENDORSEMENT OF LOCAL EMERGENCY MANAGEMENT ARRANGEMENTS AND LOCAL RECOVERY PLAN

File Reference:	ES.PL.1, ES.PL.4
Responsible Officer:	Deputy Chief Executive Officer
Date of Report:	6 November 2017
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	<ol style="list-style-type: none">1. Local Emergency Management Arrangements October 2017.2. Local Recovery Plan October 2017.

PURPOSE

The purpose of this report is to have Council approve the Shire of Exmouth Local Emergency Management Arrangements Plan October 2017 (LEMA) and the Local Recovery Plan October 2017 (LRP) (Attachment 1 & 2).

The emergency management plans are a statutory responsibility of the Local Government. Both plans accord with the *Emergency Management Act 2005* and the State Emergency Management Committee (SEMC) Policy.

The Plans have been developed and reviewed in consultation with the Office of Emergency Management (OEM), the District Emergency Management Committee (DEMC).

BACKGROUND

The Shire of Exmouth is subject to a wide variety of hazards which result from both natural and technological events. Effective local emergency management arrangements assist in enhancing the community's resilience and preparedness for emergencies by utilising strategies that apply prevention/mitigation, preparedness, and response and recovery measures.

It is for this reason that the *Emergency Management Act 2005* contains the provision that Local Government must ensure local emergency management arrangements are prepared for its Local Government district, "A local government is to ensure that arrangements (**local emergency management arrangements**) for emergency management in the local government's district are prepared. EM Act 2005 s. 41 (1)."

The approval process is as follows:

1. The OEM reviews the LEMA to ensure compliance with legislation.
2. The OEM provides the LEMA and the LRP to the DEMC for review.
3. The Local Emergency Management Committee (LEMC) reviews the LEMA.

4. The Exmouth Shire Council endorses LEMA.
5. The LEMA provided to the (SEMC) for tabling.
6. Letter from the SEMC Executive Officer sent to the Local Government Chief Executive Officer advising LEMA now meets legislative requirements and has been noted by the SEMC.

COMMENT

Where Local Governments do not have compliant local emergency management arrangements in place and are, therefore, in breach of the *Emergency Management Act 2005*, a process of non-completion may be undertaken as follows:

- When the issue has been identified, a letter of concern will be sent to the Local Government from the DEMC.
- If the matter has not been addressed within the designated period of time, a letter will be sent to the Local Government from the SEMC.
- If no action has been taken following the letter from the SEMC, the matter will be referred to the Department of Local Government, Sport and Cultural Industries.

CONSULTATION

The LEMA and the LRP have been provided to the members of the Exmouth LEMC for their review and comment; and for promotion among their networks including community groups and members. The composition of the LEMC representation is:

Shire of Exmouth

Exmouth Police

Exmouth State Emergency Service

Exmouth Volunteer Bush Fire Brigade

Exmouth Volunteer Fire & Rescue Brigade

Department of Environment & Conservation (Exmouth)

Department of Communities (Geraldton Office)

File Reference:	FM.FL.0
Responsible Officer:	Acting Executive Manager Corporate Services
Date of Report:	25 October 2017
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	1. Financial Report as at 30 September 2017

PURPOSE

This report recommends Council accepts the financial report for the financial period ending 30 September 2017.

BACKGROUND

The provisions of the Local Government Act 1995 and associated Regulations require a monthly financial report is presented at an ordinary meeting within 2 months of the period end date.

COMMENT

Carried Forward Surplus (Net Current Assets) from 2016/17 Financial Year

The financial report records a carried forward surplus from the 2016/17 financial year of \$962,667. This amount is calculated as the Net Current Assets as at 30 June 2017.

This is an unaudited forecast and remains a provisional sum subject to the annual audit. This reported carried forward surplus estimate has been used in the formulation of the 2017/18 Annual Budget.

The author of the June 2017 and July 2017 Financial Report provides an explanation in the report to the ordinary meeting of Council on 22 August 2017.

The 2016/17 Budget estimated to deliver a budget with a surplus of \$16,515, however due to the early receipt of an instalment of the Financial Assistance Grant of \$993,202 in June 2017 from the Local Government Grants Commission, this increased our surplus to \$962,702. Had this grant not been paid early, a closing deficit of (\$30,500) would've been attained.

The forecast surplus amount is material. Due to unforeseen circumstances that has delayed the preparation of the 2016/17 Annual Financial Report, a verifiable estimate is not anticipated to be available until December 2017. The Annual Financial Report is now in a draft form nearing readiness for submission to Council's Auditor's.

A review of the methodology used in calculating the Closing Funds (Net Current Assets) as at 30 June 2017 (and used for the purpose of the 2017/18 Annual Budget) has highlighted a funding deficiency for Council's current liability for employee leave provision.

Local Government Operational Guideline Number 8 – June 2013 *Net Current Assets (Opening and Closing Funds) Used in the Annual Budget and Annual Financial Report (Department of Local Government and Communities)* provides advice and guidance regarding what portion of leave provisions should be considered when determining closing funds.

Deciding what portion of leave provisions to 'add back' should be carefully considered in terms of what is already funded in the budget or can be funded from a cash reserve

Consideration would need to be given to:

- Whether annual leave is funded through 52 weeks of budget for salaries and wages for each employee and the extent to which periods of extended leave are funded;
- Whether relief staff are engaged and how that cost is funded;
- The likelihood of large leave accruals being paid out on termination.

Long service leave provision is calculated in accordance with AASB 119; a calculation based on the present value of probable future cash flows relevant to each employee. The provision includes a calculation for employees with less than 7 years continuous service and who would have no legal claim to leave until after that period of service is achieved. The accumulated value of this portion of the provision would not require funding.

It is stressed that if this is not assessed correctly, a funding shortfall may occur or the calculated budget deficiency may be incorrect.

Calculation for the carried forward Surplus used in the 2017/18 Annual Budget has been calculated writing back 100% of Councils Current Liability for Employee Leave Provisions.

Local Government Operational Guideline Number 8 – June 2013 provides direction that Leave Provisions are written back to the extent of;

- a) Leave Provisions that are Cash Backed
- b) Leave funded in the Annual Budget

As at 30 June 2017, the draft Annual Financial Report records current liability for employee leave provisions totalling \$822,969 with \$250,942 held in Cash Backed reserves for Leave Liability.

It is estimated that approximately \$488,475 is budgeted for staff leave in the 2017/18 Annual Budget. This estimation has been based upon 5/52 of the total payroll 2017/18 budget. Being 5 weeks annual in a 52 week year. It should be noted that this amount does not provide for large leave accruals being paid out on termination, or cover of relive staff during periods of leave.

The following table details the Carried Forward Surplus calculated in accordance with - Local Government Operational Guideline Number 8 – June 2013 *Net Current Assets (Opening and Closing Funds) Used in the Annual Budget and Annual Financial Report (Department of Local Government and Communities)*

Total Annual Leave Budgeted	\$488,475.95	488,475.95
Variance		(83,550.26)

It is therefore estimated that there is reduced surplus from the amount calculated for the purpose of the 2017/18 Annual Budget of approximately \$83,550. This amount is the unfunded current employee leave liability of Council as at 30 June 2017.

The likelihood that Council will be called upon to meet 100% of its current employee leave liability is very remote. However, it is advisable practice to have current employee leave liability cash backed with a calculated Carried Forward Surplus (Net Current Assets) reflective of Councils actual financial position. This is so that Council is in the position to meet its Currently Liability obligations from Current Assets.

For the purpose of preparing the Monthly Financial Report the methodology has remain unchanged as to the meet the shortfall will require a future funding allocation should Council deem it appropriate to fully fund the provision for current employ leave liability.

Statement of Financial Position

The 2017/18 budget comparatives have yet to be loaded into the Shire's financial system due to a technical problem that is in process of being rectified. It is expected this will be carried out for the ordinary meeting of Council in December.

Annual Rates have been levied and are in line with the 2017/18 Annual Budget.

STATUTORY ENVIRONMENT

Section 6.4 of the *Local Government Act 1995* provides for the preparation of financial reports.

In accordance with Regulation 34 (5), a report must be compiled on variances greater than the materiality threshold adopted by Council of \$10,000 or 10% whichever is the greater. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.
