SUMMARY:

- Westcoast Eagles Sunset Footy in November – with Lewis Jetta
 - Great opportunity for Auskickers and Footy Fundamental players
-

Westcoast Eagles Footy Clinic in Exmouth with a Very Special Guest

The Shire of Exmouth is happy to announce the Westcoast Eagles Sunset Footy in November - supported by the West Coast Eagles Inclusion & Diversity partner BHP! All Boys and girls are invited to join Lewis Jetta and the West Coast Eagles community team for some fun football activities and games.

The event will kick off with an Auskick Juniors Clinic on November 19 and finishes up with a Boys & Girls Training Session at the Exmouth Eagles Junior Football Club on November 20.

The Exmouth District High School and the Exmouth Football Club, with President Ethan Mollross, are delighted to offer this unique opportunity to the local community.

“We’re stoked that Lewis is joining all activities at the school and the club during his visit. The boys and girls will benefit immensely from his stay with us! With the first Talent Days just held a couple of weeks back, this is another great motivation for our young players to push for a professional career path.”

Mollross took over the committee position of the Exmouth Eagles end of October 2018 and pushed for more development options and creating a pathway to elite level for the region’s most talented players ever since.

And after local girl Mim Strom has just been drafted #21 for the AFLW at the end of October, Exmouth seems to be on track for more football stories in the future.

For interview appointments please contact James Grabski jamesg@westcoasteagles.com.au or 08 9388 0829.
